CHILDREN DIVISION FULFILLMENT HOUR LESSON  
TITLES**

**July 2010**

**STUDY THEME: IT'S YOUR CHOICE**

**Level of Biblical Learning Concept: SELF**

Through this study, young children will explore lessons about making right choices when faced with important decisions. The goal is to help them understand Jesus' love for us and to model that love with one another. Learning to be obedient to our earthly parents and to have a grateful heart is preparation for love and obedience to our heavenly father. The ultimate prayer is that our children will make the most important decision of their lives---to receive Christ as Savior. Amen.
