**The Greenforest Audit Committee is in need of volunteers** to serve as members to assist in fulfilling its financial oversight responsibilities in order to improve the internal control structure of the church organization.

The Audit committee serves as an independent and objective group which provides assurance that the church has the appropriate culture and the personnel policies, systems and control in place to safeguard assets. The Audit Committee members have a very important liaison function---to provide and maintain an open line of communication between the deaconship, church administration, and the independent auditor.

All interested persons with experience in Accounting/Finance and related fields, please contact Deacon Charles Robinson, Jr., at 404-502-6290 cell or email at [charles.robinson@greenforest.org](mailto:charles.robinson@greenforest.org)
