Prayer Focus on Marriages & Families

For the past three weeks, Pastor Mitchell has asked all leaders, ministries and members to “Spend Time in the Garden” by praying daily for God’s direction in how He (God) would have us address the need for strengthening families and marriages here at the “Forest” - knowing that if we pray, God will answer (Jeremiah 33:3) and families will be strengthened.

The time has come to ask, what have we heard God saying to us?

If you have been praying for marriages and families and have received an insight(s) from the Holy Spirit, please share those insights with us by forwarding same to: families-marriages@greenforest.org

Please Note: Our desire “at this point” is not to share our opinions or what we think we should do to address the issue, but rather to try our best to discern what God has placed in the hearts of His people. So, if God has placed a thought(s) in your spirit on how we should proceed in strengthening families and marriages, please share those insights with us.

Thank you for your faithfulness in *Spending Time in the Garden* – please continue!
